NAME

Address: 123 Main Street, Suite 456, New York, NY 10001
Phone: (123) 456-7890 | Email: john.doe@example.com

PROFESSIONAL EXPERIENCE

2018 - Present

Senior Software Engineer

Developed and maintained web applications using React, Node.js, and PostgreSQL. Led a team of 5 developers, managing project timelines and ensuring high-quality code. Implemented new features and optimized existing ones.

2015 - 2018

Software Engineer

Worked on various projects, including developing new features and maintaining existing ones. Collaborated with cross-functional teams to deliver high-quality products. Participated in code reviews and technical discussions.

2012 - 2015

Junior Software Engineer

Assisted in the development of web applications. Gained experience in front-end development using HTML, CSS, and JavaScript. Learned from senior developers and contributed to the team's success.

2010 - 2012

Software Engineer

Developed and maintained web applications. Gained experience in full-stack development, including front-end, back-end, and database management. Participated in team meetings and project planning.
